The **Marine Resources Committee** was established on June 7, 1999.

Our Mission:

To address local marine issues, recommend remedial actions to local authorities, build local awareness of the issues and support for remedies consistent with the current Benchmarks for Performance established by the Northwest Straits Commission.

Please review the following supplemental information:

- Vacancy announcement for prospective members
- MRC website: <https://www.jeffersonmrc.org>
- Northwest Straits Marine Conservation Initiative website <http://www.nwstraits.org/>
